

2017 Showcase Rules

How can I perform?

1. All performers are selected on the day of the event on a first come, first serve basis. Performers can pay in advance online for \$10.00 and walk-ups pay \$20.00 at the door. Actors are not guaranteed a slot for the event unless they pay for a guaranteed spot.
2. At the door participants are required to complete an information card. This card is entered into a "bucket list" at the door. When your name is pulled from the random "bucket list" drawing...you're on! 60StS will not assign slots nor give performers advanced notice prior to drawing names.

How can I GUARANTEE my performance?

The only way to guarantee your performance is to choose *Guaranteed Performer* option on the EventBrite menu for \$50 or secure a table for 8! (A \$100 cost) All *Guaranteed Performers* will be given 2-minutes to perform a monologue. (The *Guaranteed Performer* option is only available by ONLINE REGISTRATION and not at the door.)

Is there a performance time limit? ALL performances should be ONE MINUTE.

We stop each person exactly at ONE MINUTE. There is no grace time. **Only *Guaranteed Performers* will be extended TWO MINUTES.**

Can I share my minutes with other performers?

NO. Whether you have 1 or 200 people involved in your performance all performances must be one minute. If you are a *Guaranteed Performer* and are given 2 minutes, the same rule applies.

Will everyone perform?

Not everyone performs – but everyone that completes an information card at the door is entered. Every information card will go into the random performance drawing "bucket" giving everyone an equal chance at performing. Each performer's headshot and resume gets in the hands of the *special invited* industry executives, whether you perform or not. Plus, the opportunity to meet decision makers and industry executives who are CURRENTLY HIRING talent is invaluable.

Should I bring headshots and resumes? How many? Usually 3-5 will work. You will be asked to leave a resume and recent headshot with us. We also suggest bringing multiple headshots and resumes, stapled and ready to present as industry guests often show up unexpected. It is best to be prepared in case industry executives that are not listed on the panel pop-up and witness your performance.

Can I register at the door?

YES! The door opens at 6:30 and registration ends at 8:00pm. Upon your arrival, everyone must complete an information card to be placed in the bucket. **If you registered (and paid) online you must still complete an information card at the door** and hand your form to the 60StS staff directly.

Is the show only for performers?

NO! 60 Seconds to Stardom is open to the public and you can enjoy the entertainment, networking and music. After the show, mix with industry guests and other people in the entertainment business for your personal networking purposes. Non-performers can purchase a ticket online for \$10 or pay at the door for \$20. SPACE IS LIMITED so please encourage your guests to pay online in advance.

Is there an age limit?

21 and over only. Younger performers can register pending pre-approval by emailing Info@60SecondStardom.com . If the performer is approved, all rules still apply and it is suggested that the performer choose *Guaranteed Performer* on the drop down menu to secure his/her performance.

Can I bring props?

Props are unnecessary!! And we highly suggest against them. They can hurt performers and turn off industry guests. ABSOLUTELY NO WEAPON props (i.e. guns, knives, toy guns, toy knives, grenades, etc..) your performance will be immediately discontinued!

What time is registration?

6:30pm and registration closes at 8:00pm. The show starts at 8pm.

How much is admission?

Admission for EVERYONE (performing or not) is \$10 online and \$20 at the door. There is NO performance fee. The admission price includes the industry guest knowledge and networking party.

Can I give industry guests my work?

Although industry guests stay after the show to talk to performers personally and mingle during the networking party, we cannot allow anyone to hand them items. Due to legal purposes, no demo tapes of projects, reels, literature, scripts, synopsis pitches or anything else that may be copy-written or consists of your ideas. **ONLY 60 Seconds to Stardom staff can hand headshots, resumes and requested and/or pre-approved items to industry guests.**

****NOTE **** ALL Performers must be aware and agree to being recorded for promotional purposes upon registering. Performers must be aware and agree that not everyone will perform, but all headshots will go to industry executives. **ALL performers must complete a registration card at the door NO MATTER WHAT YOUR CIRCUMSTANCE!!!**

REMEMBER:

1. Tables for 8 are available for \$100.
2. You can only *guarantee* your ADMISSION (NOT your performance) by paying \$10 online.
3. You "CAN" use the guaranteed payment option to guarantee your performance.
4. All performers must complete a registration form at the door.

If you are experiencing trouble with paying through EventBrite site, email Info@60SecondStardom.com .

The 60 Seconds to Stardom showcase is NOT intended as a promise of employment and DOES NOT serve as an audition for any projects or entertainment forums. This showcase's intent is strictly and solely to serve as an educational, networking and performance platform ONLY! 21 and over unless pre-approved. Not everyone will perform, but everyone gets a chance.
